the best (and only)
Estonian MMA-physio

Weekend package also available. For information and registration:

camp@bjj.ee / www.bjj.ee

Invitation:

We are happy to invite you to the biggest Mixed Martial Arts and Brazilian Jiu Jitsu learning event of the year – our summer camp. It is called this year the Summer University of Functional Fighting as it is held in Tartu – the main Estonian university town. A variety of topics will be covered and material will be tailored to all different levels from beginners to already serious competitors. 7 days; 7 instructors and a great crowd☺

The camp dates are 06th of July till 12th of July 2009, Tartu, Estonia. We are really flexible about your exact participating dates so if you want to come only for the weekend – that is fine, if only for the first half of the week – that is fine also. You will find pricing information on page 2.

Tartu is the town where the oldest and most prestigious university (founded in 1632) of Estonia is situated. It is quite a stereotypical „university town“ which is nice and quiet over the summer but not too quiet. Through the town flows the river Emajõgi (the Mother River) which is the biggest river in Estonia and holds a nice little beach about 500 m from the gym.

The gym is a big training facility with dressing rooms, showers, weightlifting equipment and big enough mat space (half judo tatame, half karate puzzle tatame) to make a comfortable camp for about 70 people. Yes, **SEVENTY** – so please start registering NOW as there is going to be lots of people wanting to be there and the maximum limit is... well... seventy.

Practical travel information:

For international arrivers it makes most sense to travel through the capital – Tallinn. Tartu is 185 km from Tallinn and there's a good bus connection and ok train connection. The schedules are available online. Also you can contact Jorgen (camp@bjj.ee) for information.

For people from **Sweden** and **Finland** we advise to come either by ferry or by plane. If you have the possibility – most convenient is to come with your car by ferry – Tartu is a 2-hour easy drive from Tallinn.

For everyone **coming by plane** – the airport is just about 10 minutes walking distance away from the bus station from where buses go to Tartu every hour or two hours. There is also possibility of flying to the capital of Latvia – Riga – (a really nice town) and take a 3 hour bus to Tartu from there. There are sometimes excellent RyanAir price offers. If you need help finding cheap flights – please contact the organizers. Same goes for info on local transport. We can help prebook bus tickets etc.

The general price level of Estonia to give you a hint:

1 kg of cheese – 6 euros / 1 kg of chicken fillet – 5 euros / 1 bottle of beer (0,5 l) – 1 euro
1 glass of beer in a pub/nightclub (0,5 l) – 2 euros

For any **additional information AND registration** contact the main organizers at main camp email camp@bjj.ee
